EDUCATION

- National Polytechnic School (ENP)**
State Engineer in Industrial Engineering – Option: Data Science and AI
– Completed modules at the intersection of Artificial Intelligence, Data Science, and Optimization, as well as Business and Complex Systems Management for big data exploitation and strategic decision-making.
- National Polytechnic Schhol (ENP)**
Preparatory Cycle: Science and Technology
– In-depth studies in Mathematics, Physics, and Chemistry, preparing for entrance exams to engineering schools.
- New Rouiba High School**
Baccalaureate - Technical Mathematics, Distinction: Very Good
- Algiers, Algeria
Sep 2024 - Jul 2027
- Algiers, Algeria
Oct 2022 - Jun 2024
- Rouiba, Algiers
2022

PROFESSIONAL EXPERIENCE

- SAA Assurances**
Intern in Data Science and Database
– Designed a scoring model to rate employees based on the quality of their form filling using customer claims documents.
- KABAS**
Intern in AI Research and RAG
– Improved predictive models for drilling fluid formulation.
– Developed an AI-powered platform for advanced and intelligent industrial data preprocessing.
- NAFTAL S.P.A (General Directorate, CBR Branch)**
Intern
– Discovered the company and gained familiarity with industrial environments.
– Gained experience in Information Systems, Anaconda, HSE standards, and internal solutions.
- Bab Ezzouar, Algiers
Oct 2025
- El Harrach, Algiers
Mar 2025
- Chéraga, Algiers
Dec 2024

TECHNICAL SKILLS

- Data Science & AI:** Neural Network Modeling, NLP (Natural Language Processing), Explanatory Models (Classification and Regression), Data Analysis, Data Cleaning and Filtering, Database Management.
- Computer Science & Web:** Web Protocols, Encryption and Cryptography Algorithms, Human-Machine Interface.
- Programming Languages:** Python, C++, SQL, R, MATLAB, LaTeX.
- Software & Tools:** Power BI, EViews, Docker, Git, Google Colab, Microsoft Office (Excel, Word, PowerPoint), Adobe Illustrator, Adobe Premiere Pro/After Effects, Adobe Photoshop.
- Machine Learning Projects:** Creation of a "Face matching" application, Development of a CV analysis and evaluation project using NLP knowledge.
- Soft Skills:** Written and Direct Communication, Project Management, Adaptability, Resource and Logistics Management, Teamwork.

COMPETITIONS & AWARDS

- Algeria 2.0 - Challenge Agridata Insight (2nd place)**
– Created "**AgroVisor**", an intelligent agricultural state approved advisory system offering farmers data-driven insights for crop selection, price prediction, yield forecasting, and risk assessment.
- DevCamp (2nd place)**
– Created a web platform using artificial intelligence to predict demand for Agri-Food products.
- Other Participations**
– Participation and top 10 ranking in: DataHack, GDG AiFest 2025, Algeria Data Cup 4.0, HAick 2025.
- 2025
- 2025
- 2025

VOLUNTEERING & CLUB ACTIVITIES

Vision and Innovation Club (VIC ENP) <i>IT Member / Club Committee</i> – Organizing member of several natioevents: POLYMAZE, VIC charity, Engineers' gala. – Agenda Manager for Gamecraft 2024 and Project Lead for the ENP Design and Rebranding Competition "Shine". – Head of IT (Information and Technology) Department in 2025, organizing several national-scale events: AEC (Algerian Engineering Competition), Ignite Algiers, POLYMAZE.	Algiers <i>December 2023 – Present</i>
Association of Muslim Scholars <i>Mentor in Soroban and Mental Arithmetic</i> – Advanced teaching methods in Soroban and flash calculation. – One-month training camp with a Taiwanese certificate.	Douira, Algiers <i>Jun 2024 – Jul 2024</i>
Industrial Engineers Club (IEC) <i>Member of IT and RE Departments</i> – Organizing member in ADC 4.0 and IEC Talks.	Algiers <i>Oct 2024 – Present</i>
IEEE ENP Student Branch <i>IT Department Member</i> – Organizing member of the IEEE recruitment process.	Algiers <i>Jul 2024 – Present</i>
Club Des Activités Polyvalentes (CAP ENP) <i>LHR Department Member</i> – Logistics and Human Resources. Organizing member: Défi des Grandes Écoles, Charity Festival, Caplume, Capolympics.	Algiers <i>Dec 2023 – Present</i>

LANGUAGES & INTERESTS

Languages: Arabic (Native), French (B2 Level), English (C1 Level)	
Interests: Graphic Design / Video Editing, Photography and Videography, Coding, Judo, Football
